

RULES OF Inspired Teaching IMPROV

RESPECT WHAT OTHERS CREATE.

(Mutual Respect)

- Assume positive intent.
- Look for their aspirations and contributions.

SAY "YES, AND..."

(Student as Expert)

- Agree. Then build, don't block.
- Listen fully. Allow yourself to be changed by what you hear.

KNOW YOUR GOAL.

(Purpose, Persistence,
and Action)

- Stay laser-focused on where you want to go, but flexible in how you get there.
- Be present so you know what to do next.

PLAY BIG.

(Joy)

- Allow your imagination to guide you.
- Prioritize joy.

EMBRACE MISTAKES.

(Wide-Ranging Evidence of
Student Learning)

- Practice failure.
- Seek opportunities to learn from what goes wrong.
